RE:JASON AND GINA KAISER

I am writing this recommendation letter on behalf of Jason and Gina Kaiser. I have known them since 2006. Kaiser company has completed the entire construction for my dental office in Scottsdale. In my opinion Jason and Gina are very honest, hardworking, and qualified people for dental office construction.

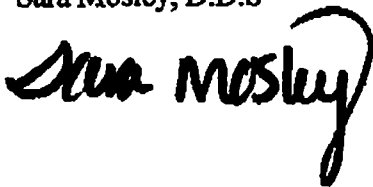

Both Gina and Jason were always available to answer questions at any time. There was one time that I called Jason on a Sunday afternoon and he returned my phone call immediately.

Jason and Gina made the entire construction experience, a very positive one, I never had to worry about anything and I knew that I could trust him and his wife completely. Both Gina and Jason have very wonderful personalities. I enjoyed working with both of them.

I would highly recommend Kaiser for any type of dental office building. I have no doubts that Jason and Gina will always provide quality work, along with their high work ethics. I wish him lots of success.

Sincerely Yours,

Sara Mosley, D.D.S
