DESERT SUN ENDODONTICS

Practice limited to Endodontics

To Whom It May Concern:

It is with great pleasure that we at Desert Sun Endodontics would recommend Kaiser Construction with whom we have had the honor of working with.

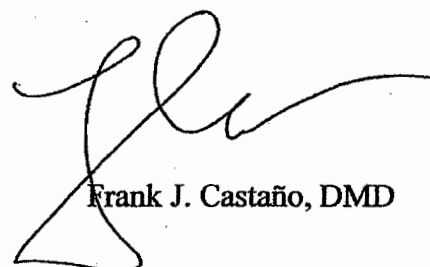

During construction of our practice, Kaiser has had the highest degree of integrity, responsibility, and eye for detail. Kaiser has helped put our vision into reality and has done so in a timely manner.

Kaiser's good judgment and mature outlook assured us that the outcome of the construction would be better than we would envision.

Kaiser Construction would be an asset to any organization undergoing construction, and we are happy to give our wholehearted endorsement.

Respectfully,

Jason R. Booth, DMD
